

Rubbing a donkey's nose can be an enchanting experience, not unlike being kissed by a leprechaun or hearing an angel sing from a tree.

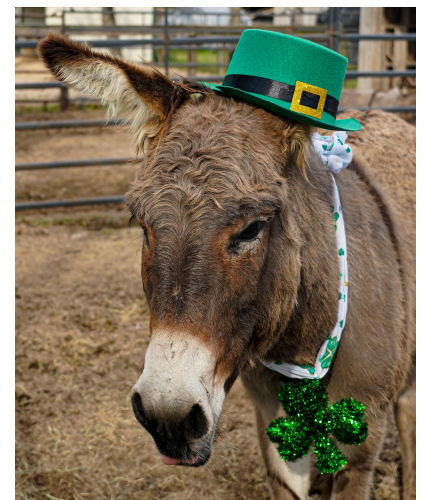

It is magical. It brings music to the soul, it heals and prolongs life. It brings hope and promise. It fills your heart with joy.

People who know and love donkeys know their magical power and their spirit.

If you rub a donkey's nose, the angels and leprechauns will swarm around you and watch out for you and yours.

So remember to rub a donkey's nose every chance you get!!
