This contract is an agreement that your adopted equine will receive proper care including: adequate shelter, nourishing feed, farrier care, dental care and medical care when needed. If you can no longer provide care as outlined above, you must return the equine to TMR Rescue, Inc.

It further attests that your adopted equine will not be given away or sold.

In the event of the death of your equine or if it must be humanely euthanized, you must notify TMR as soon as possible. Euthanasia must be performed by a veterinarian and must be necessary only to end the suffering of a fatally injured or mortally ill equine.

TMR will make every effort to complete necessary medical procedures and required training as quickly as possible so that your equine can join your family in a timely manner.

Once the equine is ready to deliver to their forever home, you will have 30 days to receive your equine. If you are not prepared for your animal at the end of that time, the equine can remain at TMR longer however you will be expected to reimburse TMR \$150.00 monthly to cover the costs of your equine's food, housing and care.

We truly hope you enjoy the companionship your equine will provide. Please do not hesitate to call if you have any questions.

The undersigned agrees to the terms of this contract.
